

CHIEF PETTY OFFICER

LEADERSHIP • HERITAGE • TRADITION

MISSION

Provide leadership to the Enlisted Force and advice to Navy leadership to create combat-ready Naval Forces.

VISION

A senior-enlisted force that serves first and foremost as Deck-plate Leaders committed to developing Sailors and enforcing standards; remains responsive, aligned and well-connected to both Leadership and Sailors; and conducts itself in a consistently professional, ethical, and traditional manner.

GUIDING PRINCIPLES

DECKPLATE LEADERSHIP

Chiefs are visible leaders who set the tone. We will know the mission, know our Sailors, and develop them beyond their expectations as a team and as individuals.

INSTITUTIONAL & TECHNICAL EXPERTISE

Chiefs are the experts in their field. We will use experience and technical knowledge to produce a well-trained enlisted and officer team.

PROFESSIONALISM

Chiefs will actively teach, uphold, and enforce standards. We will measure ourselves by the success of our Sailors. We will remain invested in the Navy through self-motivated military and academic education and training and will provide proactive solutions that are well founded, thoroughly considered, and linked to mission accomplishment.

CHARACTER

Chiefs abide by an uncompromising code of integrity, take full responsibility for their actions and keep their word. This will set a positive tone for the command, unify the Mess, and create esprit de corps.

LOYALTY

Chiefs remember that loyalty must be demonstrated to seniors, peers, and subordinates alike, and that it must never be blind. Few things are more important than people who have the moral courage to question the appropriate direction in which an organization is headed and then the strength to support whatever final decisions are made.

ACTIVE COMMUNICATION

Chiefs encourage open and frank dialog, listen to Sailors and energize the communication flow up and down the chain of command. This will increase unit efficiency, mission readiness, and mutual respect.

SENSE OF HERITAGE

Defines our past and guides our future. Chiefs will use heritage to connect Sailors to their past, teach values, and enhance pride in service to our country.
